Cowshed

Seel St · L PL

A place born from our love of beef, especially steaks. Choose from either one of our favourite steaks on the menu or something from our wonderfully created specials, lovingly prepared by our small but exceptional kitchen team.

We advise how each steak should be cooked; these are beautiful cuts of meat and cooking them any more may (probably will) affect how the steak tastes and its tenderness. Please trust us, well done is not the way forward! If you love beef as much as we do, then you're in the right place.

FLAT IRON 8oz £15
Comes from the shoulder blade of the cow.
A tender and flavoursome cut of beef.

Served sliced
Due to the structure of this steak, we are unable to serve it less than rare or past a medium cooking temperature, please ask your server for advice if unsure.

RUMP 8oz £17
Comes from the bovine's backside. Works harder than most other parts of the cow, leading to a greater amount of flavour.

The key to its flavour is marbling (little rivers of fat, that run through the beef).
