

welcome to
Cowshed
Seel St · LPL

A place born from our love of beef, especially steaks. Choose from either one of our favourite steaks on the menu or something from our wonderfully created specials, lovingly prepared by our small but exceptional kitchen team.

We advise how each steak should be cooked; these are beautiful cuts of meat and cooking them any more may (probably will) affect how the steak tastes and its tenderness. Please trust us, well done is not the way forward! If you love beef as much as we do, then you're in the right place.

All steaks are chargrilled and served with a rocket, parmesan and homemade dressing garnish (Excluding Specials)

FLAT IRON 8oz £16
Comes from the shoulder blade of the cow. A tender and flavoursome cut of beef.
Best served medium rare
Served sliced
Due to the structure of this steak, we are unable to serve it less than rare or past a medium cooking temperature, please ask your server for advice if unsure.

RUMP 8oz £17
Comes from the bovine's backside. Works harder than most other parts of the cow, leading to a greater amount of flavour.
Best served medium rare
Served sliced

RIBEYE 8oz £22.50
Cut from the fore rib of the cow. The key to its flavour is marbling (little rivers of fat, that run through the beef).
Best served medium rare

SIRLOIN 12oz £30
From the hindquarter, known for its leanness, and flavourful, beefy taste, with marbling on its side.
Best served medium rare
